Application No. 63A2201179
Application Appealing Denial Review

FINAL DECISION OF THE ELECTRICAL ADMINISTRATIVE BOARD

On November 3, 2022, the Electrical Administrative Board reviewed Mr. Robert Madary's appeal of denial of his application for the Electrical Journeyman's Examination. This decision is issued pursuant to MCL 339.5715 of 2016 PA 407, Skilled Trades Regulation Act.

FINDINGS AND CONCLUSIONS: The Board acknowledged receipt of the appeal on November 3, 2022, and reviewed the material provided, and considered the matter at a public meeting on that date. Mr. Madary was present to provide testimony. Following discussion, a motion was made, supported, and passed to deny Mr. Madary's appeal due to the fact that he does not meet the minimum standards for testing, primarily lack of reference to working under the supervision of a master and lack of notarized documents.

THEREFORE, it is the final decision of the Electrical Administrative Board to deny Mr. Madary's appeal to sit for the electrical journeyman's examination due to not meeting the licensure requirements for the electrical journeyman's examination set forth in MCL 339.5715 of 2016 PA 407. Judicial review of this decision may be pursued in accordance with the Administrative Procedures Act, 1969 PA 306, MCL 24.201 *et seq.*
